

# COFFEE PLANTATION MACHARE

---

After breakfast - between 9 and 10 am - the tour starts passing Moshi and then up to Mweka area. Machare Estate is producing high-quality, internationally certified organic coffee, and whole leave tea which you will not find often in the world. This day trip will give you an informative insight into the coffee and tea world. This will afford you to improve your understanding of the challenges in coffee and tea farming.

The tour of the processing facilities and the factory will show you what happens to the coffee once it leaves the field, and the multitude of unique processes, that are carried out to refine the coffee and tea to a tradable standard, whilst maintaining the highest quality possible.

To round off your tour, you will be given the opportunity to 'cup' the tea, allowing you to taste several different tastes. Of course, also you will get a cup of excellent coffee and you will have the chance to buy coffee and tea as well as some handmade souvenirs.

The Farm tour lasts around 2 hours. Then we start to Moshi, where you can visit

the old German railway station and the local market. You will have the possibility to buy souvenirs or other things you need. If you like, we can stop for a local lunch, before we go back to the relaxing place with fresh air at Kaliwa Lodge, where we arrive around 4 pm.

Recommended: Comfortable shoes - trekking sandals are okay camera, sunscreen.
