## KALIWA

LODGE KILIMANJARO

Kaliwa Lodge has expanded. Enjoy our spacious new rooms with stunning views up to the summit of Mt Kilimanjaro and down over the lush forest canopy into the plunging Weru Weru River Valley, with the Blue Mountains visible in the distance.

The experience is one of being above the tree canopy, surrounded by nature. The mountainfacing balconies, full-wall windows and subtle decor impart a deep sense of tranquility and calm. The rooms are complemented by our new restaurant, serving our well-known blend of Tanzanian and Asian cuisine.

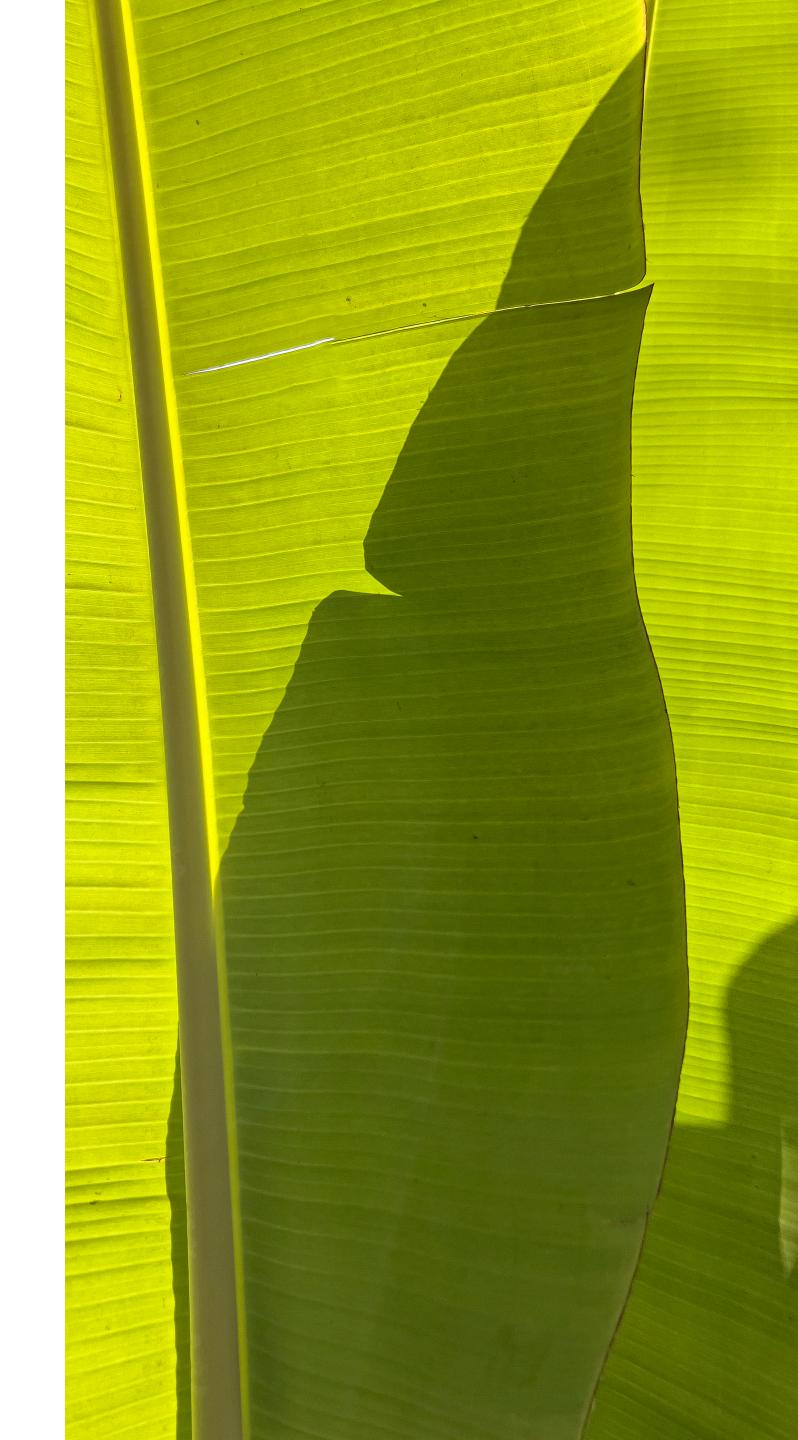

- Five 52-square-meters bungalows
- 10-square-meter balconies overlooking the rainforest
- Kingsize beds
- Two stackable single beds
- Ensuite bathroom with shower, toilet and two sinks
- Fireplace
- Desk
- Coffee- and tea-maker with organic coffee and hand-made organic tea bags from a local farmer
- Room service (breakfast, lunch, dinner on your own terrace)

Experience the comfort and warmth of the Kilimanjaro bungalows at our lodge. Each bungalow features locally sourced eucalyptus wood furniture, wool and cotton materials, and red bricks in the construction. The spacious layouts and homey feel of our bungalows make them the perfect retreat after a long day of exciting activities. Unwind in your own private paradise, surrounded by the natural beauty of your surroundings.

Enjoy the ultimate in luxury and sustainability in our Kilimanjaro Bungalows. This eco-friendly accommodation has been designed with the environment in mind, featuring a grey water system, filtered water, solar power and no plastic. We pride ourselves on sourcing all our food locally and growing our own vegetables to ensure maximum freshness and flavor.
